## Safety and quality.

At Mercedes-Benz the vision of accident-free driving is paramount. Because where Mercedes-Benz vehicles are concerned, we take the same uncompromising approach to safety as we do to driving pleasure. There are no compromises when it comes to developing the range of Genuine Accessories either. Perfectly tailored to your vehicle and extensively tested by our engineers, the products not only make an active contribution to your safety but also protect other road users.

The star has always signified allure, perfection and responsibility – attributes which are also reflected in the quality of our accessories, all of which further enhance our vehicles' style or sportiness – not to mention their already outstanding comfort. That special sense of design and attention to detail make a vehicle a true Mercedes-Benz. From that first outward impression to the inner attributes. Quality you can sense: just by looking, listening, touching – and of course driving.

# Exterior.

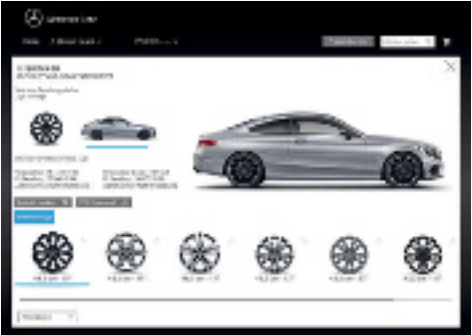

The C-Class models represent a design idiom that everyone understands but that no one else commands so expertly. An expression of refined, uncompromising sportiness. Mercedes-Benz Genuine Accessories for the exterior allow you to add your own personal design accents to your C-Class – so you too can be fluent in perfection.

Because of differences in national regulations, various different versions of each vehicle exist. Please also bear in mind that vehicle development is permanently ongoing. As a result, not all of the wheel/tyre combinations shown in this brochure will be approved for your particular Mercedes-Benz. Your authorised Mercedes-Benz dealer has access to constantly updated information on every Mercedes-Benz wheel, including the relevant technical inspection findings and licensing conditions, and will be happy to advise you.

Choose your favourite wheels online. Our Accessories Configurator shows you at a click of the mouse how the various Mercedes-Benz light-alloy wheels will look on your vehicle. Visit our website at <http://configurator.mercedes-benz-accessories.com>.

Light-alloy wheels are supplied without tyres, wheel bolts, valve caps or hub caps.

# Sitting well with our stance on safety.

## Child safety.

If your vehicle features automatic front passenger airbag deactivation (special equipment code U10), sensor readings classify the occupant by weight. With rear-facing child seats, the front passenger airbag is deactivated, while with front-facing child seats the airbag is either activated or deactivated depending

on the classification. The system works both when using i-Size/ISOFIX attachment points and when the child seat is attached using only the seat belt. Mercedes-Benz child seats are available in the “Limited Black” exclusive design.

	Saloon	Estate	Coupé	Cabriolet	Item number
01 <b>“KIDFIX” child seat.</b> Booster seat with height-adjustable backrest with seat side bolsters for side-impact protection. The “KIDFIX” seat can be secured using the ISOFIT attachment system in addition to the three-point seat belt. For children between the ages of around 3.5 and 12 (15 to 36 kg).	●	●	●	●	A000 970 2002
02 <b>“KIDFIX XP” child seat, with ISOFIT.</b> Support and safety for older children, too: the quality “KIDFIX XP” child seat is suitable for children between the ages of around 3.5 and 12 years (15 to 36 kg) and is securely attached to the vehicle by means of the 3-point seat belt or, in addition, ISOFIT. If required, the backrest can be removed so that the “KIDFIX XP” can be used as a booster seat.	●	●	●	●	A000 970 2302
03 <b>“DUO plus” child seat.</b> Offers safety for children between the ages of around 9 months and 4 years (9 to 18 kg). July 2018.

Please note: changes may have been made to the products since this publication went to press (06/2018). The manufacturer reserves the right to make changes to the design, form, colour and specification during the delivery period, provided these changes, while taking into account the interests of the vendor, can be deemed reasonable with respect to the purchaser. Where the vendor or the manufacturer uses symbols or numbers to describe an order or the subject of an order, no rights may be derived solely from these.

The illustrations may include accessories and items of optional equipment which are not part of standard specification. Colours may differ slightly from those shown, owing to the limitations of the printing process. This publication may include products and services which are not available in certain countries. Information given regarding statutory regulations, legal requirements and taxation and the consequences thereof applies to the Federal Republic of Germany only and is correct at the time of going to print. Please consult your Mercedes-Benz Retailer for final details. Prices subject to change.
